

# IT'S COOL TO BE KIND

I \_\_\_\_\_

promise to treat all living creatures with respect and

I promise to be gentle to every animal I meet,  
I promise I will never leave my pet in the street.

I promise I will leave wild animals alone,  
and ask to meet strange ones I do not own.

I promise to not hurt an animal, no matter how big or small,  
I promise I will not hurt any creature at all!

I promise when it's time for me to get a new pet,  
I'll adopt from a rescue and be its best home yet!

One more promise I will always remember,  
I promise to love all of my pets forever.
